1. **DEFINITIONS.** The following words when used herein (unless the context shall require a different meaning) shall have the following meanings:

A. "Association" shall mean and refer to Hanging Rock Homeowners Association, Inc.

B. "Subdivision" shall mean and refer to all of the lots and property shown upon plat of "Hanging Rock Subdivision" referred to above and upon any subsequent plat of additional phases prepared for the Developer, recorded in the Office of the Register of Deeds for Spartanburg County and reference to any amendment or notification to this instrument.

C. "Common Properties" shall mean and refer to as designated on the plat of Hanging Rock Subdivision and to other landscaped areas within Hanging Rock Subdivision, and shall include, but not be limited to, all street lights, sprinkler systems, pool areas and pool houses, street signs, entrance signs, landscaping, and water meters located within such areas.

D. "Developer" shall mean and refer to SNV, LLC.

E. "Lot" or "lot" shall mean and refer to any numbered parcel of land shown upon a plat of Hanging Rock Subdivision prepared for the Developer, recorded in said Register's Office and referenced in this instrument or any amendment or notification thereto.

F. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of fee simple title to any Lot situated within Hanging Rock Subdivision, but notwithstanding any applicable theory of mortgage law, shall not mean or refer to the mortgagee unless and until such mortgagee has acquired title pursuant to foreclosure or any proceeding or deed in lieu of foreclosure.

G. "Member" shall mean and refer to any Owner who is a member of the Association as provided in paragraph 35 hereof.

H. "Architectural Review Board" shall mean and refer to the Developer until such time as the Association is formed and a Board of Directors for the Association is appointed and the Developer assigns to such board the powers to serve as the Architectural Review Board.

2. **SINGLE FAMILY RESIDENTIAL USE.** No lot shall be used except for private, single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling, not to exceed 2 ½ stories in height and,

if approved in advance by the Architectural Review Board in writing, a private detached garage or a hobby-type/storage building.

3. **SUBDIVISION OF LOTS.** Developer or any subsequent owner of a lot, with the prior written consent of Developer or its nominee, may sell and convey a portion of any lot to the owner of an adjoining lot, provided that any such sale of a portion of a lot does not result in the creation of another lot or a greater number of lots than that shown on said plat and does not violate any other provisions hereof. In any such sale of a portion of a lot, the portion shall merge into and become part of the adjoining lot, and the terms and conditions herein shall apply to the lot and portion of a lot as though they were originally platted as one lot.

4. **MINIMUM HEATED AREA.** No dwelling shall be erected on any lot having less than two (2) bathrooms and no less than twelve hundred (1200) square feet of heated floor area. If the dwelling has a second story, the first floor must have no less than seven hundred fifty (750) square feet of heated floor area. The floor area required by this article shall not include basements, porches, verandas, breezeways, terraces, garages, carports or hobby-type/storage building.

5. **BUILDING SETBACK LINES.** No building or portion of a building, including stoops, verandas, steps and porches shall be located on a lot nearer the front, side or back property lines of the lot than the setback line(s) shown for such lot on the plat of Hanging Rock Subdivision referred to herein. Nonetheless, Developer reserves the right and privilege, upon showing of special, unique or unusual circumstances to give a waiver to any setback restrictions on a lot, but such waiver must be given in writing to be valid. Developer reserves the right to deny a waiver for any reason deemed appropriate in its sole discretion.

6. **SEWER EASEMENTS.** Certain lots are subject to an easement and right-of-way for sanitary sewer purposes. The total width of the sewer easement is twenty-five (25') feet, consisting of twelve and one-half (12.5') feet on each side of the sewer line as shown on a plat of Hanging Rock Subdivision. Any portion of a lot subject to a sewer easement is for the installation, maintenance and repair of the sanitary sewer line and/or manhole, and no lot owner shall build permanent above-ground improvements upon said easement or do any other act or deed which would interfere with or interrupt the use of the easement for sanitary sewer line purposes.

7. **APPROVAL OF BUILDING PLANS - SPECIAL CONDITIONS.**

A. No building or structure, whether it be the dwelling house, garage or hobby-type building shall be erected, placed or altered on any lot until the building plans, elevations, location, specifications have been approved in writing by the Architectural Review Board. If such shall not be approved or disapproved within two (2) weeks after being submitted, then such approval shall not be required, provided, however, the design and location of the proposed construction shall conform to the specific building requirements stated herein and otherwise be in harmony with the existing structures in the subdivision. Any proposed hobby-type/storage building must be built as a permanent structure and be designed in harmony with the main dwelling. Disapproval of plans, elevations,

DEED 76 C PG 592

location or specifications may be based purely upon aesthetic reasons in the sole discretion of the Architectural Review Board.

B. The completion of improvements upon a lot shall include the landscaping of the yard, including the grassing or sodding of the yard and the planting of shrubs and/or decorative plants or bushes along the front elevation of the dwelling.

C. The front elevation of the dwelling house foundation must be a minimum of eight (8") inches above the finished grade of the front yard.

D. All garages shall be enclosed with a door or doors.

8. **PROHIBITED BUILDING MATERIALS.** Concrete blocks, cement bricks or concrete walls shall not be used in the construction of any building, garage or hobby-type/storage building unless the exterior of same is faced with brick, stone, stucco or some other material approved by the Architectural Review Board or its nominee. No asbestos shingles or asbestos siding shall be used for the exterior of any building or other structure.

9. **TRAILERS AND MOBILE HOMES PROHIBITED.** Trailers, modular homes, and mobile manufactured homes, including typical single, double, or triple wide mobile homes, are absolutely prohibited. Manufactured homes or other factory-built or pre-built homes may be erected or installed on a lot with the prior written approval of the Architectural Review Board. Furthermore, no residence or building may be moved from another location and placed or allowed to remain on any lot. The Architectural Review Board retains sole discretion and authority as to such approval or disapproval.

10. **REQUIREMENTS FOR DRIVEWAYS.** All driveways shall be constructed of concrete and shall be maintained by the owner of a lot in a good state of repair and suitable appearance. Where driveways from a lot intersect with the public street, said driveway will abut the existing "rolled" curb, thereby keeping the "rolled" curb intact and undamaged. If during construction or otherwise, the curb or pavement adjacent to a construction site is broken, removed or otherwise damaged, the owner of the lot upon which such construction or work is being done shall bear the cost of replacing or repairing such damage to the satisfaction of the Developer.

11. **DEVELOPER'S DISCLAIMER.** DEVELOPER (INCLUDING THE DEVELOPER IN ITS CAPACITY AS THE ARCHITECTURAL REVIEW BOARD), AND ITS SUCCESSORS AND ASSIGNS, ITS AGENTS, CONSULTANTS AND EMPLOYEES, HEREBY DISCLAIM ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, OF GOOD WORKMANSHIP, DESIGN, HABITABILITY, QUALITY, FITNESS FOR ANY PARTICULAR PURPOSE OR MERCHANTABILITY OR ANY REPRESENTATION CONCERNING SAME, AND NO WARRANTIES OF ANY KIND SHALL ARISE AS A RESULT OF ANY PLANS, SPECIFICATION, STANDARDS OR APPROVALS MADE OR APPROVED BY DEVELOPER, OR ITS NOMINEES, AND DEVELOPER SHALL NOT BE LIABLE TO ANY OWNER OR ANY OTHER PERSON ON ACCOUNT OF ANY CLAIM, LIABILITY, DAMAGE OR EXPENSE

DEED 76 C PG 593

SUFFERED OR INCURRED BY OR THREATENED AGAINST ANY OWNER OR SUCH OTHER PERSON ARISING OUT OF OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF ANY REVIEW, ACCEPTANCE, INSPECTION, PERMISSION, CONSENT OR REQUIRED APPROVAL WHICH MUST BE OBTAINED FROM THE DEVELOPER, WHETHER GRANTED OR DENIED. FURTHERMORE, WHILE DEVELOPER IS NOT AWARE OF ANY LOTS CONTAINING FILL DIRT, DEVELOPER EXPRESSLY DISCLAIMS SUITABILITY OF A LOT FOR RESIDENTIAL CONSTRUCTION, AND ALL FUTURE OWNERS SHALL BE RESPONSIBLE FOR DETERMINING THE SUITABILITY OF A LOT FOR RESIDENTIAL CONSTRUCTION.

12. **GENERAL EASEMENTS.** Developer reserves an easement five (5') feet inside each side and rear lot line of each lot for the installation, maintenance and repair of utilities, sewer lines, and/or storm drainage facilities. Furthermore, certain lots shall be subject to an additional easement for drainage purposes as will be shown upon a duly recorded plat of Hanging Rock Subdivision. All utility service lines, including cable television, telephone, gas, electric or other utility, from existing streets shall be installed underground to any dwelling or other structure upon a lot.

13. **SEWAGE.** All sewage shall be disposed of through the sanitary sewer line collection lines located within the subdivision and owned by the Spartanburg Sanitary Sewer District, and all connections to such line shall be made only with the written approval of the Spartanburg Sanitary Sewer District in accordance with its rules and regulations.

14. **FENCING.** Fencing shall not be erected until the design height, materials and location have been approved in writing by the Architectural Review Board. **No wire or chain link shall be allowed.** Approved wooden, composite or vinyl fencing shall be permitted on any lot from the rear corner of the residence erected thereon to the rear of the lot, provided, however, that no such fence shall exceed five (5') feet in height. No fencing of any kind shall be installed or allowed to remain on any lot which shall interfere, damage or obstruct the installation or maintenance of any utility. On corner lots, no fence shall be erected beyond the side building setback line shown on the subdivisions plat referred to above. The lot owner shall be fully liable for any and all damage to utility lines resulting from erection of a fence or other improvements, even if approval of the fence or other improvements has been properly obtained.

15. **BUSINESS ACTIVITIES PROHIBITED.** No commercial operations, business operations, manufacture or production shall be permitted upon any lot. The selling, showing or marketing from a lot of any kind of goods, products or apparel is expressly prohibited. The provisions of this item shall not be construed to prohibit the making of handcrafted items for occasional off premises sale. Notwithstanding the foregoing, this provision shall not apply to the ability of Cato Homes, Inc. to operate its model home and sales office and otherwise market its houses within Hanging Rock Subdivision.

DEED 76 C PG 594

No inoperable motor vehicle, wrecked vehicle or motor vehicle not currently licensed shall be parked in the street right-of-way or be kept on any lot in the subdivision unless stored in an enclosed garage. Also, no buses, trucks or trailers other than pick-up trucks not to exceed one (1) ton in size, shall be parked on a lot or in the street right-of-way, except for loading and unloading. Further, no portion of a lot shall be used for the operation of any motorized vehicles such as motorcycles, mini-bikes, go-carts, four wheelers or similar vehicles.

18. **PORTABLE OR METAL BUILDINGS PROHIBITED.** Portable buildings, metal storage buildings or other similar off-site constructed storage buildings are prohibited and may not be placed or remain on any lot, provided, however, that a hobby-type building or other storage building approved in writing by the Architectural Review Board is permissible. Notwithstanding the foregoing, this provision shall not apply to Cato Homes, Inc. And its construction of temporary buildings/shelters during its construction of homes within Hanging Rock Subdivision.

19. **SWING SETS.** Swing sets, sandboxes, gym sets and any such similar devices or structures primarily for children's use and enjoyment must be located on the rear portion of a lot.

20. **NO TEMPORARY RESIDENCES.** No garage or hobby-type/storage building shall be used at any time as a residence, either temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

21. **ANIMALS.** No domestic fowl, cows, hogs, mules, wild animals or any other farm-type animals shall be kept on any lot at any time, provided, however, household pets, such as cats and dogs, may be kept on a lot, provided such pets shall not exceed a total of two (2) in number and provided further that the owner thereof shall be responsible for the control and conduct of such household pets so that they are not an annoyance, hindrance or nuisance to others.

22. **TRASH RECEPTACLES.** All receptacles for trash or garbage must be kept within a fenced or enclosed area and hidden from public view and the view from adjoining property.

23. **CLOTHESLINES.** All clotheslines and poles shall be installed on the rear portion of a lot away from the street.

DEED 76 C PG 595

26. **COMPLETION OF IMPROVEMENTS.** All houses and other structures related thereto must be completed within one (1) year after the commencement of construction, except where such completion is impossible due to strikes, fires, national emergency or other natural calamity.

27. **COVENANT OF GOOD APPEARANCE AND REPAIR.** Each lot owner shall maintain his lot and the exterior of all improvements in good appearance and repair in order to assure that no condition exists which would diminish the good appearance of the property. Every owner of a vacant or unimproved lot shall keep such lot free of debris and unsightly underbrush, weeds or other unsightly vegetation. In the event that an owner shall fail to maintain a lot in a good state of repair and appearance, the Developer and/or Hanging Rock Subdivision Homeowners Association, Inc., or their agents or employees, shall have the right to maintain same and charge the cost thereof to the owner, but no work shall be done without due and proper notice to the owner and an allowance of at least thirty (30) days to correct specified deficiencies. In the event the owner or owners of a lot shall fail to pay such charges within thirty (30) days of billing, same may be collected in the same manner and under the same terms as Assessments set forth in Paragraph 37.I. **THE DEVELOPER, THE ASSOCIATION OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, AGENTS, EMPLOYEES OR MEMBERS SHALL NOT BE LIABLE FOR ANY PERSONAL INJURY OR PROPERTY DAMAGE OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES OCCASIONED BY ANY NON-NEGLIGENT ACT OR OMISSION IN THE INSPECTION, REPAIR OR MAINTENANCE OF ANY SITE, IMPROVEMENTS OR PORTION THEREOF.**

28. **SIGNS.** No signboards or other signs of any kind shall be displayed on any lot except a single "For Sale" and a builder's sign, or a single "For Rent" sign. No sign shall be more than thirty inches (30") by thirty inches (30") in size, provided, however, the Developer shall have the right to use additional signs for development of the property.

29. **STREET LIGHTING.** If street lighting is installed by the Developer, the cost and expense of operation shall be transferred to the Homeowners' Association at any time after one (1) year from date hereof.

30. **MAINTENANCE OF STREET RIGHT-OF-WAY.** The owner of a lot shall be responsible for the planting and maintaining of the area from the property line to the edge of the pavement or curb of the street or streets upon which said lot abuts.

31. **FUEL TANKS.** All fuel tanks or containers shall be buried underground, or enclosed in a structure, in a manner consistent with normal safety precautions and in accordance with the rules and regulations of appropriate governing bodies or agencies or the South Carolina Department of Health and Environmental Control, whichever the case may be. Any structure to be constructed for this purpose must be of acceptable appearance and approved by the Developer in accordance with its building approval procedure as above set forth.

DEED 76 C PG 596

32. **FIREWORKS.** Shooting of fireworks of any kind, and the storage thereof, are prohibited, unless carried out in conjunction with a supervised activity of the Developer or the Hanging Rock Subdivision Homeowners' Association, Inc.

33. **MAIL RECEPTACLES.** All mailboxes or other mail receptacles and their supporting structure, including fixing the location and height thereof, shall conform to Developer's uniform requirements. After installation, each owner has the responsibility of keeping same in good repair and appearance.

36. **TEMPORARY SALES OFFICE.** The Developer and/or Cato Homes, Inc. shall have the right to place or erect temporary sales offices on any lot in the development for the purpose of marketing lots.

37. **MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION.**

A. **Membership.** Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity, who holds such interest merely as a security for the performance of an obligation, shall not be a member.

B. **Voting Rights.** The Association shall have two (2) classes of voting membership as follows:

**Class A.** Class A members shall be all those Owners defined in Paragraph 1 with the exception of the Developer. Class A members shall be entitled to one (1) vote for each Lot in which they hold the interests required for membership by Paragraph 1. When more than one person hold such interest or interests in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

DEED 76 C PG 597

**Class B.** Class B members shall be the Developer and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either one of the following events, whichever occurs earlier:

(a) When the total votes outstanding in Class A membership equal to the total votes outstanding in Class B membership; or

(b) January 1, 2004.

38. **PROPERTY RIGHTS IN THE COMMON PROPERTIES.**

A. **Title to Common Properties.** The Developer may retain the legal title to the Common Properties until such time as it has completed improvements thereon and until such time as, in the sole discretion of the Developer, the Association is able to maintain the same, but, notwithstanding any provision herein, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey all of its right, title and interest in the common properties to the Association not later than December 31, 2003.

B. **Restrictions on Common Areas.** The parcels of real property included as part of the Common Properties are to be maintained solely as landscaped and/or beautification areas, for identification signs for Hanging Rock Subdivision, or for such other uses as the Developer may desire. No other use or improvements are to be made to said real property without the express written permission of the Developer, and Developer expressly reserves easement rights upon these parcels for installation of underground utilities.

39. **COVENANT FOR MAINTENANCE ASSESSMENTS.**

A. **Creation of Lien and Personal Obligation of Assessments.** The Developer for each Lot owned by it within Hanging Rock Subdivision hereby covenants and each owner of any lot by acceptance of a deed to a lot within Hanging Rock Subdivision, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Developer and/or the Association (as the case may be):

(1) Annual assessments or charges to be set and adjusted from time to time by the Developer and/or the Association as hereinafter provided; and

(2) Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and cost of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

DEED 76 C PG 598

B. **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the lot owners in Hanging Rock Subdivision and in particular shall be used for the payment of costs and expenses, including, but not limited to, the following:

- (1) Expenses for the maintenance, upkeep and improvement of the Common Properties.
- (2) Payment for services in connection with the maintenance, upkeep and improvements to the Common Properties, including utilities, taxes, water usage and other related reasonable and necessary expenses.
- (3) Maintenance, upkeep, repair and/or replacement of the sprinkler systems within the Common Properties.
- (4) For the payment of services for any street lighting undertaken and accepted by the Association.
- (5) For the payment of expenses related to the upkeep, maintenance and replacement of signs within Hanging Rock Subdivision identifying the subdivision, containing street names or other safety signs, if any.
- (6) For any other purpose, cost or expense reasonably related to the performance of any duty or responsibility of the Association as determined by the Board of Directors of said Association in accordance with the By-Laws and these restrictions.

C. **Basis and Maximum of Annual Assessments.** There will be no annual assessments until the year beginning January 1, 2003. For the year beginning January 1, 2003, the annual assessment shall be \$150.00 per Lot. Beginning January 1, 2004, the annual assessment may be adjusted by vote of the Members as herein provided. The Board of Directors of the Association may, after consideration of current maintenance cost and future needs of the Association, fix the actual assessment for any year at a lesser amount. Lots owned by the Developer shall be exempt from annual assessments until such time as a dwelling shall have been constructed thereon. Such exemption shall not affect the Developer's voting rights in the Association.

D. **Special Assessments for Capital Improvements.** In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

DEED 76 C PG 599

E. **Change in Basis and Maximum of Annual Assessments.** Subject to the limitations in Paragraph 37.C. above, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Paragraph 37.C. hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

F. **Quorum for Any Action Authorized Under Paragraphs 37.D. and 37.E.**  
The quorum required for any action respecting assessments authorized by Paragraph 37.D. and 37.E. hereof shall be the Members present at a meeting duly called and convened pursuant to Paragraphs 37.D. and 37.E. hereof.

G. **Date of Commencement of Annual Assessments; Due Dates.** The annual assessments provided for herein shall commence on January 1 of each year. The annual assessments provided for herein shall begin and become due and payable January 1, 2003, and on January 1 of each year thereafter. Prior to January 1, 2003, the Developer agrees to maintain the Common Properties in a good state of repair and operation. The due date of any special assessment under Paragraph 37.D. hereof shall be fixed in the resolution authorizing such assessment.

H. **Duties of the Board of Directors.** The Board of Directors of the Association shall fix the date of any special assessment and at least thirty (30) days in advance of the due date of any assessment prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

I. **Effect of Non-Payment of Assessments; the Personal Obligation of the Owner; the Lien; Remedies of Association.** If the assessments are not paid on the date when due (being the date specified in Paragraph 37.G. above), then such assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof, as hereinafter provided, become a continuing lien on the property, which shall bind such property in the hands of the then Owner, his heirs, devisees, Personal Representatives, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall remain his personal obligation for the statutory period, but such personal obligation shall not pass to his successors in title unless expressly assumed by them. Such successors in title do, however, take the title subject to any outstanding lien for assessments.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the delinquency date at the rate of one and one-half percent

DEED 76 C PG 600

(1.5%) per month (ANNUAL PERCENTAGE RATE - 18%) from the delinquency date. The Association may bring an action at law against the Owner personally obligated to pay the same or an action to foreclose the lien against the property, and there shall be added to the amount of such assessment, the interest thereon as above provided, plus a reasonable attorney's fee and the costs of the action.

J. **Lien of Assessments is Subordinate to Recorded Mortgages.** The lien of assessments provided for herein shall be subordinate to the lien of any mortgage now or hereafter placed upon a lot subject to the assessment. The sale or transfer of a lot shall not affect the assessment lien, provided, however, the sale or transfer of any Lot pursuant to the mortgage foreclosure or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such lot from liability for any assessments thereafter coming due or from the lien thereof.

40. **ENFORCEMENT BY HOMEOWNERS ASSOCIATION.** Except for approvals and rights expressly reserved herein unto the Developer or its nominee, the Hanging Rock Subdivision Homeowners Association, Inc., shall have standing to enforce the within restrictions, covenants and obligations in the same manner and to the same extent as does the Developer or any other owner. The powers and authorities herein granted to the said Association shall be in addition to such other and further rights, duties and obligations which may be set forth in the By-Laws of the Association adopted in accordance with the terms hereof.

41. **DELEGATION OF DEVELOPER'S RIGHTS.** All rights reserved unto the Developer herein remain exclusively with the Developer, its successors and assigns, provided, however, Developer may assign and/or delegate all or any part of such reserved rights to the Association.

42. **TERM OF ENFORCEMENT AND AMENDMENTS.** These covenants, conditions, easements and restrictions shall be binding upon the Developer, its successors and assigns, and upon all future owners, their respective heirs, successors and assigns, and all parties claiming under them, until December 31, 2025, at which time the terms hereof shall be automatically extended for successive periods of ten (10) years thereafter, unless the then Owners owning at least two-thirds (2/3) of the Lots in Hanging Rock Subdivision agree in writing to terminate or change same. The terms and conditions of this instrument may be amended or changed only upon written agreement of the then Owners owning at least two-thirds (2/3) of the Lots in Hanging Rock Subdivision. Notwithstanding anything herein to the contrary, the Developer, its successors and assigns, reserves the right to waive, modify or change in writing, any of the terms hereof with respect to the application thereof to a lot based upon special, unique or unusual circumstances, but no such waiver, modification or change shall substantially affect the overall plan of development.

42. **EFFECT OF COVENANTS AND ENFORCEMENT.**

DEED 76 C PG 601

A. **Effect of Provisions of These Covenants.** Each owner, tenant and guest, their successors, heirs and assigns, and all others who take an interest in land or realty within Hanging Rock Subdivision do promise, covenant and undertake to comply with each provision of these Covenants, which provisions:

(1) shall be considered and deemed to be incorporated in each deed or other instrument by which any right, title or interest in any lot within Hanging Rock Subdivision is granted, devised or conveyed, whether or not set forth or referred to in such deed or other instrument;

(2) shall, by virtue of acceptance of any right, title or interest in any lot by an owner, be deemed accepted, ratified, adopted and declared as a personal covenant of such owner to, with and for the benefit of the Developer, the Association and all other owners, their respective heirs, successors and assigns;

(3) shall be deemed a real covenant by the Developer for itself, its successors and assigns and also an equitable servitude, running in each case, both as to burdens and benefits with and upon the title to each lot within Hanging Rock Subdivision;

(4) shall be deemed a covenant, obligation and restriction secured by a lien binding, burdening and encumbering the title to each lot within Hanging Rock Subdivision, which lien, with respect to any such lot shall be deemed a lien in favor of the Association.

B. **Who May Enforce.** The benefits and burdens of these covenants run with the land at law and in equity, and the Developer and the Association, their respective successors and assigns, and any owner, his heirs, successors, legal representatives, Personal Representatives and assigns shall have the right to proceed against any party in violation of these covenants and to compel a compliance to the terms hereof and to prevent the violation or breach in any event.

C. **Against Whom May the Covenants be Enforced.** The obligation and benefits prescribed by this instruments shall run with the property and shall be enforceable against the owner, his heirs, successors and assigns, or any other person whose activities bear a relation to the property, including guests and tenants when the aforesaid persons or entities engage in activities (including omissions and failures to act) which constitute violations or attempts to violate, contravene or circumvent the terms hereof.

D. **Enforcement Remedies.** In addition to other enforcement rights mentioned herein, in the event that any structure is erected, constructed, reconstructed, altered, repairs, converted or maintained, or any structure or land use is in violation of these covenants, the Developer, its successors and assigns, the Association or any owner may institute appropriate legal proceedings or actions at law or in equity, including, but not limited to, actions: (1) to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use; (2) to restrain, correct or abate such violation, or breach of these covenants; (3) to prevent the occupancy of any dwelling or land; (4) to prevent any act, conduct, business or use which is in breach of these covenants; or (5) to compel any affirmative act which, pursuant to these covenants, "shall", be performed. Any action in equity hereunder for the enforcement hereof shall not be barred on the grounds that there may also exist an adequate remedy at law. The prevailing party in any action to enforce these restrictions shall also be entitled to reasonable attorney fees against the other party.

DEED 76 C PG 602

43. **MISCELLANEOUS.**

A. **No Waiver.** Failure to enforce any provision or provisions of this instrument for any period of time by the Developer, the Association or any owner shall not be deemed a waiver or estoppel of the right to enforce same at any time thereafter.

B. **Captions.** The captions and headings in this instrument are for convenience only and shall not be considered as controlling in construing the provisions hereof.

C. **Board Authorization.** All actions of the Association shall be authorized actions if approved by the Board of Directors of the Association in accordance with its By-Laws, unless the terms of this instrument provide otherwise.

D. **Gender, Tense, Number and Applicability of Definitions.** When necessary for proper construction, the masculine form of any word used herein shall include the feminine or neuter gender, and the singular, the plural and vice versa, and words used in the present tense shall include the future tense.

E. **Savings Clause.** If any provision or provisions of this instrument are found to be ineffective or unenforceable for any reason in the final judgment of any court having jurisdiction of the subject matter hereof, the remaining provisions hereof shall remain fully enforceable and binding upon the owners, their respective heirs, successors or assigns.

IN WITNESS WHEREOF, the undersigned have set their hands and seals this 17th day of July, 2002.
